(1) Vehicular traffic facing a circular green signal may proceed straight through or turn right or left except as such movement is modified by lane-control signs, turn prohibition signs, lane markings, or roadway design. Vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal indication is exhibited.

- (2) Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
- (3) Unless otherwise directed by a pedestrian-control signal as provided in Section 82-14, pedestrians facing any green signal, except when the sole green signal is a turn arrow may proceed across the roadway within any marked or unmarked crosswalk.

(b) Steady Yellow Indication:

- (1) Vehicular traffic facing a steady circular yellow or yellow arrow signal is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection.
- (2) Pedestrians facing a steady circular yellow or yellow arrow signal, unless otherwise directed by a pedestrian-control signal as provided in Section 82-14, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown, and no pedestrian shall then start to cross the roadway.

(c) Steady Red Indication.

- (1) Except as provided in Section 82-12, vehicular traffic facing a steady circular red signal alone shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection and shall remain standing until an indication to proceed is shown.
- (2) Except as provided in Section 82-12, vehicular traffic facing a steady red arrow signal shall not enter the intersection to make the movement indicated by the arrow and, unless entering the intersection to make a movement permitted by another signal, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection and shall remain standing until an indication permitting the movement indicated by such red arrow is shown.

**Sec. 82-12. Flashing signals.**

**Sec. 82-14. Special pedestrian-control signals.**

Whenever special pedestrian-control signals are in place, such signals shall indicate as follows:

(a) *Walk or Symbolic Walk Figure.* Pedestrians facing such signal indication when illuminated may proceed across the roadway in the direction of the indication and shall be given the right-of-way by the operator of any vehicle. When such signal indication is extinguished, no pedestrian facing the signal indication shall enter the roadway.

(b) *Don't Walk or Symbolic Don't Walk Figure.* No pedestrian facing such signal indication which is illuminated or flashing shall start to cross the roadway in the direction of the indication; provided, however, any pedestrian who has partially completed his crossing on the "Walk" signal indication shall proceed to a sidewalk or safety zone while the "Don't Walk" signal indication is illuminated.

PERAICA, EDWIN REYES, TIMOTHY O. SCHNEIDER, PETER N. SILVESTRI, DEBORAH SIMS, ROBERT B. STEELE and LARRY SUFFREDIN, County Commissioners

**PROPOSED RESOLUTION**

**WHEREAS**, the Honorable Carl R. Hansen, who served as Cook County Commissioner for District 15, representing the Northwest suburbs for more than 32 years on the County Board, passed away on Tuesday, February 2, 2010, at the age of 83; and

**WHEREAS**, Commissioner Hansen, the son of Danish immigrants, grew up in Chicago's Humboldt Park neighborhood during the Great Depression; and

**WHEREAS**, Commissioner Hansen graduated from Lane Tech High School and enlisted in the U.S. Army in 1944, where he rose to the rank of 2nd lieutenant and was an officer of the United States High Commission for Germany under then-General Dwight D. Eisenhower; and

**WHEREAS**, while overseas in the post-war period, Commissioner Hansen met his wife Christl in Germany and was for the first and only time in his life rendered speechless for an entire hour, as he was immediately smitten with her beauty, intelligence and grace; they married in Chicago in 1952; and

**WHEREAS**, Commissioner Hansen attended the University of Chicago's graduate school where he earned an MBA in 1954; he had a successful career in market research and started his own marketing, management, and real estate consulting services firm in 1967; and

**WHEREAS**, Commissioner Hansen's long career on the Cook County Board began in 1970 when, at the age of 43, he was appointed to fill a ten-month vacancy created when a suburban representative died; he subsequently ran and won election to the seat in 1974, and remained in office until 2006; and

**WHEREAS**, Commissioner Hansen's appointment and subsequent election to the Cook County Board was not his first venture into politics, as he served as Elk Grove Township Republican Committeeman from 1962 to 2002, and was the campaign manager for the primary gubernatorial bid of Charles H. Percy in 1962; and

JOURNAL OF PROCEEDINGS FOR FEBRUARY 9, 2010

**WHEREAS**, Commissioner Hansen's sense of duty and responsibility to the taxpayers of Cook County was widely known, and while he was a strong and vociferous advocate for the Northwest suburban area, all of Cook County benefitted from his diligence and relentless commitment to and knowledge of many issues, including those relating to pollution, water supply, flooding, waste disposal, public health, and preservation of green space; and

**WHEREAS**, Commissioner Hansen did not shrink from debate even if he was the sole voice in opposition; he had the ability to persuade one to his side of a debate with his thunderous ferocity or conversely, through mellifluous, impassioned speeches on the floor; and

**WHEREAS**, one such issue in which Commissioner Hansen's tenacity and determination greatly impacted the residents of Cook County was in the blocking of the creation of a landfill at the Poplar Creek Forest Preserves, which would have ruined six hundred acres of Forest Preserve land; this two-year battle proved to be one of his proudest victories; and

**WHEREAS**, Commissioner Hansen's extensive knowledge of history was evident, and he was a great conversationalist on topics involving different ethnicities and cultures; his knowledge of and involvement in his own Scandinavian community was not his only ethnic and cultural interest, rather, he enjoyed a wide variety of multi-cultural relationships and attended events celebrating ethnic diversity, and was the proud sponsor of the relationship formed in 2005 between the County of Cook and the Province of Palermo in Sicily, Italy; and

**WHEREAS**, upon Commissioner Hansen's retirement, many were amazed to find that he had kept every County Board and Committee meeting document going back to 1970 in perfect order, complete with his notes and backup material; this archive was donated, along with his other papers and correspondence files, so that others could educate themselves and understand the intricacies of Cook County; and

**WHEREAS**, although Cook County was an important part of his life, there was nothing comparable in importance to Commissioner Hansen than love and devotion to his family, which included his beloved wife, Christl, who passed in 2007, son Lothar Ulrich and daughter-in-law Gudrun, cherished granddaughter Christina, sisters Rita Scoon (deceased) and Marilyn Jackson, and sisters-in-law Iris Draper and Uschi Choate; his commitment to family was unwavering, and his tenderness towards his wife was palpable and inspirational to all those who have loved.

**NOW, THEREFORE, BE IT RESOLVED**, that the President and the Cook County Board of Commissioners, on behalf of the more than five million residents of Cook County, do hereby honor the memory of Commissioner Carl R. Hansen, celebrate his extraordinary life, and hereby express the gratitude of the residents of Cook County for his many years of distinguished service; and

**BE IT FURTHER RESOLVED**, that a suitable copy of this Resolution be presented to the family of Commissioner Carl R. Hansen, as a token of our great esteem and acknowledgement of his rich legacy of service and commitment to Cook County.

Silvestri, Deborah Sims, Robert B. Steele and Larry Suffredin, County Commissioners.

**PROPOSED RESOLUTION**

**FLEET MANAGEMENT PROGRAM**

**WHEREAS**, Cook County has a fleet of approximately 2000 vehicles; and

**WHEREAS**, the implementation of a fleet management program using a car-sharing approach to county vehicles on a cross-departmental basis could increase the efficiency of the county fleet, offering potential cost-savings and decreasing the environmental impact of county vehicle usage; and

**WHEREAS**, there is technology and equipment available to manage public sector fleets, providing real-time data, including: vehicle demand, usage, reservations, drivers and maintenance; and

**WHEREAS**, this information can be used to help maximize fleet performance and achieve an average of 20 to 40 percent reduction in total vehicles; and

**WHEREAS**, the District of Columbia began a 6-month pilot program in a fleet management program in October of 2009 with the goal of eliminating 150 vehicles from the city's motor fleet; and

JOURNAL OF PROCEEDINGS FOR FEBRUARY 9, 2010

**WHEREAS**, at the end of the six-month pilot program, the District reduced the number of cars in its passenger car fleet by 360 vehicles—17% of the original fleet—to yield an estimated savings of \$6.6 million over five years; and

**WHEREAS**, following the pilot program, the District of Columbia continued with their new management program, under which the District currently operates at a ratio of 15:1 drivers to vehicles, while most counties and cities operate at driver ratios between 2:1 and 5:1 per vehicle; and

**WHEREAS**, combined with the District's fleet reduction, the new fleet management program yields an estimated reduction of 800-900 metric tons of carbon dioxide emissions; and

**WHEREAS**, fleet management technology can also provide extensive reporting capabilities which can identify safety risks and help ensure vehicle policies are followed by tracking the location and driver of County vehicles at all times.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners requests that the Bureau of Administration explore the use of an electronic fleet management system to manage Cook County vehicles, where appropriate; and

**BE IT FURTHER RESOLVED**, that the Bureau of Administration report back to the Cook County Board of Commissioners to present their findings at their earliest possible convenience.

(a) It shall be unlawful for any person issued a permit under this ~~section chapter~~, or any employee or agent of such person, to violate any of the terms or conditions of the permit. Each and every single trip per vehicle in violation of the terms or conditions of the permit shall constitute a separate and distinct offense. "Single trip" shall mean a one-way journey made by a vehicle from the starting point to the destination point as designated in the application. It does not include a return trip from the destination point to the starting point or a return trip from the destination point to any other point distinct from the destination point. The owner and the operator of the vehicle may be held jointly and severally liable for any fines or other penalties imposed under this section.

~~(b) It shall be unlawful for any person to operate a vehicle not in conformity with the wheel and axle load and gross weight provisions of Section 15-111 of the Illinois Vehicle Code, 625 ILCS 5/15-111, on any County highway without a permit issued for that vehicle by the Superintendent.~~

~~It shall be unlawful for any person to operate a vehicle not in conformity with the dimension requirements for width of vehicles in Section 15-102, height of vehicles in Section 15-103, and length of vehicles in Section 15-107 of the Illinois Vehicle Code, 625 ILCS 5/15-102, 103, and 107, on any County highway without a permit issued for that vehicle by the Superintendent.~~

~~Each and every single trip per vehicle made in violation of this article shall constitute a separate and distinct offense.~~

(b) Except as specifically allowed by statute or other ordinance, no person shall operate on any public way within the County any vehicle whose gross weight exceeds the limits described in Section 15-111 of the Illinois Motor Vehicle Code. The weight limitations and formulae contained in Section 15-111 of the Illinois Motor Vehicle Code, as amended, are hereby incorporated by reference for purposes of calculating permissible weights under this section. Any vehicle which exceeds the weight or size limitations set out in this section is declared to be a public nuisance.

Any person who refuses or fails to stop and submit his or her vehicle and load after being directed to do so by the Sheriff or who removes or causes the removal of any portion of the load prior to weighing, shall be fined not less than \$500.00 and not more than \$2,000.00.

Any person who violates the weight limitations imposed by subsection (b)(1) of this section shall be subject to a fine equal to the amount set out in Section 15-113(a) of the Illinois Motor Vehicle Code, as amended. All fines shall be payable to the Cook County Department of Revenue. Section 15-113(a) of the Illinois Motor Vehicle Code, as amended, is hereby incorporated by reference for purposes of calculating the permissible fines payable to the Cook County Department of Revenue. Each and every single trip per vehicle made in violation of this section shall constitute a separate and distinct offense.

(c) Any person operating a vehicle in violation of this article may be prosecuted and fined in the manner provided by Chapter 15 of the Illinois Vehicle Code, 625 ILCS 5/15-112, 15-113, and 15-301(j).

(c) It shall be unlawful for any person to operate a vehicle not in conformity with the limitations for width of vehicles in Section 15-102, the limitations for height of vehicles in Section 15-103, and the limitations for length of vehicles in Section 15-107 of the Illinois Vehicle Code, as amended, on any County highway without a permit issued for that vehicle by the Superintendent. Each and every single trip per vehicle made in violation of this section shall constitute a separate and distinct offense.

Any person operating a vehicle in violation of subsection (c)(1) of this section shall be prosecuted and fined, for the first or second conviction in any one year period, in an amount equal to not less than \$50.00 and not more than \$500.00. The fine for a third and subsequent conviction by the same person, within a one year period, shall be in an amount equal to not less than \$500.00 and not more than \$1,000.00.

(d) In addition to any fine imposed, any person who violates this article shall pay all costs incurred by the Department to restore to a condition satisfactory to the Superintendent, any pavement, bridge, culvert, tunnel, sewer, pipe conduit or other facility or appurtenance located within County Highway right-of-way that is damaged by reason of the transportation of such vehicle.

(e) If any person violates this article in any manner, three times in one 12-month period of time, the Superintendent may refuse to issue a permit to that person for one year following the date of the third article violation.

(f) In addition to payment of fines imposed under this section, a violator may be required to perform a minimum of 100 hours of community service in a program under the direction of the Sheriff.

(g) A person issued a notice or citation for a violation of any weight limitation, size limitation, or other limitation imposed by this chapter, or any term or condition of a permit issued under Section 66-126, shall, upon issuance of the notice or citation, deposit with the Sheriff a bond in an amount equal to the minimum fine established for such violation. The bond shall be in the form of a financial instrument approved by the Sheriff or the Sheriff's designee. The financial instrument shall be made payable to the Cook County Department of Revenue. In lieu of posting the entire amount or a portion of the amount of the bond, the Sheriff or the Sheriff's designee may, in his or her own discretion, accept an individual recognizance bond when, from the totality of the circumstances, it is the opinion of the Sheriff or the Sheriff's designee that the person issued the notice or citation will appear for a hearing. Any individual recognizance bond shall include, as a condition of the bond, the provisions of subsection (c) of this section.

(h) As a condition of any bond permitted under Section 66-127(g), the owner and/or operator of the vehicle shall agree to indemnify and hold the County harmless from all suits, claims, damages, or proceedings of any kind for injury to persons or damage to public or private property caused, in whole or in part, by the operation of the vehicle in violation of any weight limitation, size limitation, or other limitation imposed by this chapter, or any term or condition of a permit issued under Section 66-126.

(i) Any notice or citation for a violation of any weight limitation, size limitation, or other limitation imposed by this chapter, or any term or condition of a permit issued under Section 66-126, shall specify the date, time and location of a hearing before the department of administrative hearings pursuant to Chapter 2, Article IX of the Cook County Code of Ordinances.

(j) If at the hearing, the administrative law officer determines that the owner or operator violated any weight limitation, size limitation, or other limitation imposed by this chapter, or any term or condition of a permit issued under Section 66-126, the administrative law officer shall enter an order finding the owner and/or operator liable to Cook County for the amount of the administrative penalty prescribed for such violation. The proceeds of any deposit or bond posted pursuant to Section 66-127(g) shall first be used to satisfy in full or in part said penalty.

(k) If at the hearing, the administrative law officer determines that the owner or operator did not violate any weight limitation, size limitation, or other limitation imposed by this chapter, or any term or condition of a permit issued under Section 66-126, the administrative law officer shall enter an order finding the owner and/or operator not liable to Cook County and order a return of the proceeds of the deposit or bond posted pursuant to Section 66-127(g).

(l) If the owner or operator fails to appear at the hearing, the administrative law officer may enter a default order against the respondent, and may further order forfeiture of the deposit or bond posted pursuant to Section 66-127(g) to Cook County. If an individual recognizance bond was granted, the administrative law officer may enter an order of default in an amount equal to the administrative fines prescribed for such violation. For good cause, the administrative law officer may vacate a default order upon the timely filing of a motion pursuant to Section 2-922 of Article IX of the Cook County Code of Ordinances.

(m) Any fine or other sanction or costs imposed, or any part thereof, remaining unpaid after the expiration of the time limit prescribed for judicial review under the Administrative Review Law is a debt due and owed to Cook County and, as such, may be collected in accordance with applicable law.

(n) Service of the notice or citation on the operator of the vehicle shall constitute service of the notice of or citation for the violation on the owner of the vehicle.

(o) The owner and operator of the vehicle shall be jointly and severally liable for any claims, losses, expenses or damages incurred by Cook County for any injury to persons or damage to public or private property caused, in whole or in part, by the operation of the vehicle in violation of any weight limitation, size limitation, or other limitation imposed by this chapter, or any violation of a term or condition of a permit issued under Section 66-126.
